

Member Webinar Recordings are Available on the Fund's Website

The Fund presents special webinars to assist members with completing processes required for coverage. The webinars are recorded, and links are saved on the Member Resources secure section of the website.

The links can be found on the Fund website at: [TWARMF Webinar Recordings](#)

Here are the topics for 2025 that you can access:

- **25-26 Fund Year Renewal Webinar**
- **Workers' Compensation 101**
- **Workers' Compensation and General Liability Annual Payroll Audit**

The Member Resources page requires a login since it is a secure page. If you do not have a login or you have forgotten your username or password, please send an email to Office@twarmf.org and we can quickly get that set up or send you a link to reset your password.
